## Journal of Dental Specialities

Volume - 9, Issue - 2, Year - 2021 ([www.jdsits.in](http://www.jdsits.in))

Journal of Dental Specialities (JDS) open access, peer-reviewed Half-yearly journal publishing since 2013 and is published under auspices of the "I.T.S Group of Dental Institutions". With the aim of faster and better dissemination of knowledge, we will be publishing the article 'Ahead of Print' immediately on acceptance. In addition, the journal would allow free access (Open Access) to its contents, which is likely to attract more readers and citations to articles published more...

### Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

### Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.jdsits.in/info/author> and be submitted by 2024-10-12.

### Advertisement

The advertisement is a screenshot of a website for Manuscript Peer-Review Process (MPRP). The header is dark red with the logo on the left and contact information on the right. A navigation menu is below the header. The main content area has a light blue background and features a central illustration of a person at a desk with a laptop, surrounded by icons representing various stages of the publication process. Text on the left describes the MPRP as a web-based portal for journal management. Text on the right explains that MPRP manages authors, reviewers, and editors, and is an in-house product of Innovative Publication Pvt. Ltd. A 'Why MPRP?' section is partially visible at the bottom.

**Manuscript Peer-Review Process**

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is in-house product of Innovative Publication Pvt. Ltd. which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

**Why MPRP?**

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
